## ACADEMIC QUALITY

We have Mexico's most outstanding professors, experts in social sciences.

## CHALLENGE-BASED LEARNING

Our unique Tec21 Model generates graduates with high-quality profiles, capable of critical thinking and facing current and future challenges.

## STUDENT EXPERIENCES, MULTI-REGIONAL LEARNING

Interaction with students and professors from all over the country. Development of skills in social sciences at regional, national and global levels.

## TOTAL TECHNOLOGICAL ACCESS

Learning using state-of-the-art technological tools (global classrooms, visiting professors, etc.).

## MIXED FORMAT

Digital entry, in-person experiences.

## LiFE

Enjoy your student experience and participate in LiFE activities on your host campus (sports, artistic and cultural activities, student groups, etc.).
