Experiencia con Sentido Humano

Imágenes

A man with a beard and glasses is sitting at a desk with a laptop. Behind him, a projection screen displays a table with multiple rows of data. The table has several columns, with the first column containing numbers and the second column containing text. The text in the second column appears to be names or identifiers, some of which are partially obscured by the man's head. The table is presented in a light blue and white color scheme.
